

AMERASIAN CREATION

Amerasian Creation is going to be a community activity day on February 26th at the Pasadena Cultural Center. The program starts at 9:00 with crafts, sensitivity games, contemporary films, and art exhibit.

We will also share in a pot luck at 12:00 noon. In order to make this pot luck a success, we urge anyone to bring whatever specialties they can cook up. If you are willing to help with the food, please notify Kathy Maruyama at 798-1452 or Nancy Ota at 255-2969.
